

Jen Mariano

Chesley Vohden

Hello Junior Daughter at Large,

My name is Jen Mariano, I am the National Junior Daughters Chairperson, or Directress. And I am Chesley Vohden, the National Daughters at Large Chairperson, and we just wanted to say hello and let you know we are thinking about you and praying for you.

We are looking at ways to connect or network Junior DALs all across the country using the web. Would you prefer a yahoo group site, a face book page or something different? We are also considering a website just for Juniors Daughters. We also have a list of all Junior DALs and their addresses but not email addresses. So that we can stay in contact with you, could you give us your email address and would you mind having other Junior DALs know it so they can contact you?

We understand how unique your situation is but please know you are not alone, there are many Junior DALs. Plus Chesley and I want to do whatever we can to get in contact with you and help connect you with other Junior Daughters. But most importantly we are praying for you.

When you get a chance give us a call or email Chesley or me. We look forward to hearing from you.

Take care and God bless,

Jen Mariano and Chesley Vohden
