

MASTER'S FUND

The Order of the Daughters of the King supports higher education in leadership development and service for Episcopal church-related careers for women. The Master's Fund was inaugurated at the Order's Triennial Convention in 1922 as a thank offering to be given at Pentecost in loving commemoration of the coming of the Holy Spirit. The Master's Fund is intended to assist Daughters and other women to attend school to prepare for missionary and other church-related work. The emphasis is on the intended church-related career of the applicant, so that attendance at any accredited college, university or graduate school is permitted. Master's Fund grants will be limited to communicants of the Episcopal Church, autonomous churches of the Anglican Communion or churches in communion with the Episcopal Church. Modest grants are made from available funds and are based on anticipated renewal grant needs and the number of applicants reviewed.
