

TO: Members of the National Council of  
The Order of the Daughters of the King, Inc.

November 2, 2007

We, the five National Council Members, wrote and shared our Accountability Document in order to fulfill our fiduciary responsibilities to the Order of the Daughters of the King, Inc.

We thank Council for its review of our letter and documents, for the ensuing discussion and for suggesting the requested documents may all be reviewed at the National Office. We cannot know the depth of our satisfaction until such time as our review (of the complete list of documents) is completed.

As ever our prayers are with each of you and our Order.

Blessings of love and peace in Christ Jesus,  
FHS,
