

How to Order a Replacement Cross

Here are the steps to take to get a replacement cross:

1. Are dues current? If they are not, they will need to be reinstated by sending in a check for dues. (It can be sent with the national office order form on a separate check.)
2. Obtain a national office order form from the back of the current *Royal Cross* magazine or from "Forms" on our website.
3. Fill out the number of crosses and the size needed in the second section of the order form (marked "Replacement Crosses").
4. Send the order and payment to the national office. You may send it by mail or by fax. (The national office address and fax number are on the top of the order form.)
5. Don't forget to include shipping in your payment.

Although we will most likely get the order filled and shipped back to you quickly, please allow the six weeks requested for processing, filling, shipping and receipt of your order.
