Hello Sisters,

This letter is to introduce myself to you and to ask you to pass along to your chapters the information contained herein.

Recently you received a farewell letter via e-mail from Phyllis Easley, our past Province VI President of the order. I have asked Phyllis to stay on as an advisor to our new Province VI Board.

My name is Lyn Zolman, and I'm the new Province VI President .

Colorado has been home to my husband, Dick, and me for 26 years; prior to that we were nomads. We both moved a lot as children and then my husband made a career in the U.S. Navy, thus we moved frequently and saw a lot of the world and our wonderful country. I have been a Daughter of the King for 20 years; served on a Daughters' leadership committee at St. John's Cathedral in Denver and have just finished 2 three year terms as the Colorado Assembly President. The concept of a leadership committee was developed because women today are so busy that we needed to share the responsibilities of leadership.

Province Leadership: At the Province Level, we have 3 officers. Amy Mayes has agreed to stay on as Treasurer and Barb Williams is our new Vice President. We are hoping to have representatives from each diocese on the Province VI Board. We desire to have input from all the dioceses within Province VI.

Communication is so very important. Currently we have the following communication options:

- **E-mail:** You can e-mail me at gumzzz@aol.com or through the National Website www.dok-national.org This is new! I'm told my address will be lynzolman@dok-national.org
- **Personal Phone Calls:** my phone number is **303-796-8746**
- **Face to Face communication:** We want to visit each diocese so we can get to know each of you personally so we can understand your needs and concerns. I've been to AAA for maps and Travel Books on all 8 states.

- **Websites:** The National Office of our order has a website that provides excellent information. If you go to www.dok-national.org there is information about the order on the home page. On the left side there is a blue strip with links to other areas of the website.
 - Click the link “provinces and international” for information we have posted about province VI .
 - Click the “Finance” link to find a Primer for Treasurers which is very helpful. Please take some time to peruse this website.
- **Newsletter:** Barb Williams is currently working on a newsletter that we hope to have posted on the National Website under the “Province-International” link by the end of September. If you have any scheduled Quiet Days or events that you would like put in the newsletter please e-mail them to bawi@mac.com Send: the Name of the event, the location, the date, and a contact person, phone number and e-mail. We also welcome pictures with brief descriptions of recent past events.

One last thing: I need you to communicate with me.

In November it will be necessary for me to give a report to the National Council about Province VI. I will need time to read and analyze your information and to write this report so I’m asking you to send this information to me by the End of September.

Some information you might consider:

- 1. What is happening in your diocese or chapter that is exciting.**
- 2. What are you studying that helped you get excited.**
- 3. New chapters**
- 4. Disbanded chapters**
- 5. Other items of interest to all.**

We want to know your needs, what you study to deepen your journey with each other and with Christ , and we want to know what service you are called to provide to those around you.

FHS, Lyn Zolman
