

LIGHT OF THE WORLD – HOPE OF SALVATION

I saw your light from far away; a distant ray of hope.
A momentary gift in time; a reminder to help me cope.
You spoke of God our Father. You prayed that He would hear.
He touched my soul this day; and He vanquished all my fears.

The light I saw was radiant; It spoke of your deep faith.
The light I saw was God; and, He shone upon your face.
All fear is fading fast now. All pain now washed away.
The Peace of Christ is present; and I know it's here to stay.

I count your prayers as blessings; bestowed as if a crown.
They lifted me when feeling lost; in His arms I now am found.
What Christian walk does this day bring? What honor might I give?
To He who parts the waters; and, my daily bread does give?

My light is what I'll offer; to someone who needs it most.
I'll offer it with gladness; and, of God I'll surely boast.
To tell others of His great goodness, His sacrifice for me.
I'll tell of God's amazing grace; and of His plan for victory.

In service will I do this; most prayerfully to be sure.
May God's light in me this day bring; someone else's unexpected cure.
Most Loving God, I thank thee; for the very air we breathe.
As we humbly kneel before you, to spend time in Your company.

Lead on O King Eternal, and from us, please never part.
We ask that you will guide us, in these troubled times most dark.
Impart to us your Holy Spirit; to lead us and to teach.
And, mold us as You'd have us; so the masses we may reach.
To the Honor and Glory of Your Most Holy Name...Amen.
